ARCHIVE 1977

East Windsor High School

East Windsor, Connecticut

We

Each Have a Vision, _____

This yearbook is dedicated to you — my Teacher. Each of us have been guided by someone to help us find a special goal in life. You have helped me. When I needed teaching, you taught me. When I needed confidence, you gave it to me.

I know I may never repay you for helping me form my dreams. That is why this yearbook is for you. For each time I read it, I will think of you — my Friend.

The Class of 1977 has been helped by many people. But the two that have guided our class to reach our dreams are our advisors, Ms. Modeen and Mrs. Dwyer.

May you find the joy and happiness which we have found through you.

CLASS COLORS
Dark Blue and Ivory

CLASS MOTTO
Hold fast to dreams, for if dreams die life
is but a winged bird that cannot fly.

CLASS SONG

Forever Young
May God's blessing keep you always.
May your wishes all come true.
May you always do for others,
and let others do for you.
May you build a ladder to the stars,
and climb on every rung,
and may you stay forever young.
Forever young, forever young,
may you stay forever young.
May you grow to be righteous.
May you always know the truth,
and see the light surrounding you.
May you always be courageous,
stand up right and be strong,
and may you stay forever young.
Forever young, forever young,
may you stay forever young.
May your hands always be busy.
May your feet always be swift.
May you build a strong foundation
when the winds of changes shift.
May your heart always be joyful.
May your song always be sung,
and may you stay forever young.

Bookends

Time it was

And what a time it was,

It was . . .

A time of innocence

A time of confidences

Long ago,

It must be . . .

I have a photograph

Preserve your memories,

They're all that's left you.

CLASS HISTORY

We entered the East Windsor High Olympics in the fall of 1973. Our coach, Mr. Morton, briefed us on the vigorous rotating schedule and what privileges we were not allowed. We were told that opening ceremonies had been canceled, but apparently not everyone heard the announcement. Some of our teammates got their share of perfume and lipstick from the older teams. We selected our officers: Norma Guckin, captain; Denise Courtemanche, co-captain; Ann Coleman, business manager; Eileen Muska, scorekeeper. The first event we entered was the pep rally. We managed to win the bronze medal. During this year the organizing committee initiated a new program called "mini-courses." This consisted of three days in which we were allowed to try new events that might interest us. It turned out well, except that many decided to use it as a rest period instead of reporting as usual. We ended the year with a marathon car wash at Chester's market, to help raise money for the coming year.

Our sophomore year started off with Ann Coleman as captain, Robert Russell as co-captain, Eileen Muska as business manager, and Mary Jane Kirchhof as scorekeeper. We needed a means of support for our team, so we lighted our way by selling light-bulbs. The campaign went well through our sophomore, (junior and senior) years. Half-way through the year team members in good standing were allowed to leave practice area and socialize in the cafeteria and library. The year closed with a spaghetti dinner and medal ceremony where we all received our gold and silver medals . . . our class rings. Before we returned in the fall we ran another car wash at Chester's. Most of our time was spent cooling off in buckets of water.

When we did return to training in the fall, we had a new team captain - Roger Roberge. He was helped out by team co-captain - Leslie Coss, business manager - Denise Saucier and scorekeeper - Leslie Donihee. Our coach informed us that our schedule had been changed again, and that we would receive time-release earlier this year. In the fall we took off for a marathon tour through Boston. By the end of the tour, a few team members said their feet felt "like cement." The renovation and addition to our

stadium caused a new event - the obstacle course - to be initiated. This event consisted of running under ladders and jumping over wires in order to reach your next class within four minutes. Spring came bringing with it the junior prom, "Knights in White Satin." We shed our warm-ups and headed for Hospitality Inn. The band, The Mystics, crowned Donna Crabb, escorted by Craig Monroe, as queen. Her court was Denise Courtemanche, Eileen Muska, Lori Parker, and Leslie Coss. To celebrate the nation's 200th birthday, the school staged a Bicentennial Day. Using available chance to raise money, our team was kept busy at a food stand. The major event of the day was a tug-of-war, where the juniors took the gold. The year ended with the closing ceremonies of the class of '76. The flame bearers were Brian Bowidas and Eileen Muska. We took the senior seats knowing that the end of our amateur careers was near.

In the fall we returned to a bigger and better stadium. We were now the mighty senior team. We could report later than usual and leave earlier. Many team members used this privilege to skip the balanced cafeteria meal and head for MacDonald's. Our officers for our last year were captain, Leslie Donihee; co-captain, Robert Russell; business manager, Ruth Shaffer; scorekeeper, Leslie Coss. Our first major event of the year was the magazine drive. With the help of financial agent, Mr. Army, we were the first class to bring in \$13,000. Leaders in the drive were Leo Szymanski winning the gold and Denise Saucier the silver. We entered the Pep Rally for our last time, and won the bronze for the fourth year in a row. In December we held our Senior Banquet. The night started off with a meal prepared by team members and ended with a get-together at Santa's. The evening was so successful that another one was planned for May.

Closing ceremonies are now upon us. We are leaving our amateur careers behind and each of us is pursuing our individual events. These olympics have helped guide us to our goals. We thank all those who have coached us through these four years, especially our teammates who pulled us through the toughest parts. Good-bye East Windsor. Destination The World.

Senior Banquet

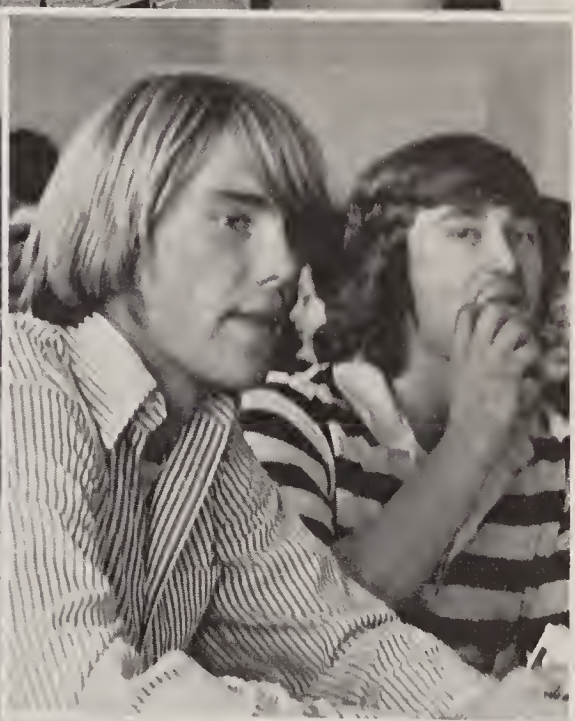

The senior banquet held on December 18th 1976 was a "smash" thanks to the punch bowl and grab bag gifts. The misletoe caught many people by surprise, so did the band "Only in a Jeep." The night was highlighted with a visit from good old St. Nick, who passed out gifts and invited us to his house for some more cheer.

Field Hockey

J. V. Soccer

The Junior Varsity Soccer Team's purpose is to give, primarily boys, the opportunity to participate in athletics, and to develop players for Varsity. The team for this year has definitely progressed. Many Freshmen developed skills necessary for games. The best thing that happened was defeating the best J.V. Team - Suffield, in overtime 2-1, two come from behind victories. The worst was being within eight seconds of winning a game and then losing it - twice. Of Coach Croft's five years of coaching, this team had the players with the best attitude and he is looking forward to another winning season.

Coach George Croft, Peter Moore, Joe Pomeroy, Jack Cassada, Tom Whitehill, Scott Bancroft, David Schweitzer, Keith Root, David Pierce, Larry Mooers, Mike Tiernan, Scott Granger, John Revay, Ben Perron, Tom Ratti, John Webber, Joe Cersosimo, Tom Sinsigallo, Eric Janssen, Tony Morneauult, Roger Belval.
